Mental Health Act

2014 Section 540

05 July 2021

The Chief Psychiatrist's Register of Authorised Mental Health Practitioners as required by the *Mental Health Act 2014* (s.540)

The *Mental Health Act 2014* requires the Chief Psychiatrist to keep a register of persons who are designated under Section: 540 as Authorised Mental Health Practitioners.

The section specifies:

- (1) The Chief Psychiatrist keep a register of persons who are, or have been, designated under section 539 as authorised mental health practitioners.
- (2) The register must be kept in the manner and form determined by the Chief Psychiatrist.
- (3) The register must include the following particulars of each person registered under subsection (1) —
 - (a) the person's name;
 - (b) the date on which the order designating the person as an authorised mental health practitioner was published in the Gazette;
 - (c) any limits within which, or any conditions subject to which, the person can perform the functions of an authorised mental health practitioner that were specified in the order referred to in paragraph (b);
 - (d) the date on which any order amending the order referred to in paragraph (b) was published in the Gazette and details of the amendments;
 - (e) the date on which any order revoking the order referred to in paragraph (b) was published in the Gazette.
- (4) The Chief Psychiatrist must ensure that the register is available free of charge for inspection by members of the public —
 - (a) from the office of the Chief Psychiatrist during the business hours of that office; and
 - (b) on the Agency's website.

Designated AMHPs must have regard to the **Mental Health Regulations 2015** in terms of maintaining credentialing.

Regulation 17 specifies:

Authorised mental health practitioners (Act s. 539(4))

- (1) For section 539(4)(a) of the Act, the Chief Psychiatrist must have regard to the following training when deciding whether to make or amend an order under section 539(1) —
 - (a) the completion of a course of training approved by the Chief Psychiatrist;
 - (b) the completion of annual continuing professional development approved by the Chief Psychiatrist;

- (c) the completion of annual clinical supervision approved by the Chief Psychiatrist.
- (2) For section 539(4)(c) of the Act, an authorised mental health practitioner must notify the Chief Psychiatrist in writing within 28 days if the authorised mental health practitioner —
- (a) completes, or fails to complete, annual continuing professional development approved by the Chief Psychiatrist; or
 - (b) completes, or fails to complete, annual clinical supervision approved by the Chief Psychiatrist.
- (3) A notification under sub-regulation (2) must be accompanied by any documentary evidence that the Chief Psychiatrist directs.
- (4) For section 539(4)(d) of the Act, the Chief Psychiatrist must revoke the designation of an authorised mental health practitioner under section 539(3) if any of these grounds exist —
- (a) the authorised mental health practitioner has requested in writing that the designation be revoked;
 - (b) the authorised mental health practitioner is no longer a mental health practitioner;
 - (c) the Chief Psychiatrist is notified in writing that the authorised mental health practitioner has resigned, retired or is deceased.
- (5) For section 539(4)(d) of the Act, the Chief Psychiatrist may revoke the designation of an authorised mental health practitioner under section 539(3) on any of these grounds —
